

**AMENDMENTS TO THE SPECIFICATION**

Please amend the paragraph, starting at page 4, line 14 as follows:

The price of the ticket, e.g., \$3, may reflect the instant play portion and the extended play portion, such as, for example, \$1 and \$2 respectively. The exemplary \$2 extended play portion may provide two additional chances of winning through the extended play game. It will be appreciated that instant and extended plays ~~must~~ may be sold separately or might only be priced as a single use.
